I missed the first part due to the storm in Europe. The second part was really enjoyable as conditions were pretty fine and I could work two initials. I operated 7 hours only but I am really satisfied with the result. I wanted to change the feeder system for the contest but wheather did not permit. -- *DL4KG*

Sending in the EME Contest logs by E mail is great !! Getting a receipt of this back is even Better. During the contest in the Japan window from the West Coast, was expecting to see more JA's on 1296. We worked on 1296, JA6AHB, JA6CZD, JH5LUZ, JH0YSI, JA8ERE. Looking forward for the contest results on your web site. Thank you for the good EME Contest format. Jack Riggs -- *N7AM*
