The Missing Quarterly

Dear fellow QRP'ers: I would like to take this opportunity to respond to the many cards and letters I have received concerning our missing issue. As with any volunteer organization the officers accept their duties on a second priority basis. First of course, being their family and job. With this in mind it becomes easier to understand that the Club's work could become more than one can handle. Our Editor, Jim Stevens, KK7C, was trying to edit and publish the *Quarterly* alone. Just too much work for one person. Since this time we have acquired a professional publisher. This effectively splits the job into two parts. Jim Stevens will continue to edit and get ready your articles and Bill Brooks, KE5OG, our new publisher will print, fold and mail the *Quarterly* to you. We have made another change effective Jan. 1, 1987, Bill Harding will become our membership chairman. While Robert Brown, NM7M, will become secretary/treasurer. This effectively splits the secretary's job and spreads out the work.

The Board of Directors has unanimously voted to extend all members renewal dates by one issue. Thus effectively making up "The Missing Issue." As president let me apologize for the inconvenience.

Dayton Hamfest 1987

It's that time again—time to make plans for Dayton 1987. Each year the number of fellow QRP'ers attending Dayton gets bigger and no wonder with so many great activities planned. With a hospitality suite and party and our great QRP banquet, we can promise you a great time at Dayton. Of course there is a lot of work to be done. We need volunteers to staff our booths and take memberships and answer questions. If you are coming to Dayton and would like to volunteer some time or just get on our Dayton mailing list, send me a note. See you there!!!

President Les Shattuck

Ask the President

Do you have a question concerning the QRP ARCI? It has come to my attention that many members need an outlet for their questions and concerns. As president I would be very happy to answer your questions and send you a personal reply. I would also like to set up a question and answer column in the *Quarterly*. Help me start this by sending your info now to:
